Award of Cash Compensation in lieu of exchange lands to Sri Bhuvaneshwari temple

File No. of 193

General and Revenue Secretariat

The lease sale of exchange lands has fetched a poor rent of 2½ rupees per annum which is hardly sufficient to meet even the minimum daily boat ship charges. In the circumstances the D.C Mysore states that Cash Compensation may be awarded to the temple in lieu of the exchange lands so that the daily charges of boat ship may be met out of the interest realised on the amount.

If the H.C requests special sanction of Govt to the award of cash compensation (of about ~~Rs~~ Rs 1432) to the temple submit for orders.

11/4

In the circumstances explained by the H.C. Sanction may, as a special case, be accorded to the Award of Cash Compensation in lieu of exchange lands awarded.

Office of the Muzrai Commissioner in Mysore,
Bangalore dated 2nd April 1934.

From

N. Madhava Rau, Esq., P.A., P.I.,
Muzrai Commissioner in Mysore.

To

S. Shamanna, Esq., P.A.,
Secretary to the Government of Mysore,
Financial Department.

Sir,

Subject:- Grant of cash compensation to Sri Amruteswaraswamy temple at Galigekere, Yedatore Taluk, in lieu of exchange lands.

In forwarding herewith the vernacular records received with Mysore Deputy Commissioner's letter No.H.921/31 dated 28-2-34 (copy enclosed) on the above subject, I have the honor to state as follows:-

An extent of 3 acres 18 guntas of wet land in S.No.148 of Galigekere village endowed to the above temple was acquired for the second stage of the Krishnarajasagara Reservoir as per Government Orders Nos.140-143/831-35 dated 16-9-25 and 263-66/1369-72 dated 6-10-26. Exchange lands measuring 4 acres 13 guntas in S.Nos.305 and 306 of the same village were awarded by the Special Land Acquisition Officer in his award dated 20-12-1926 (enclosed in the records) together with preparation charges at Rs15/- per acre. It is reported that the lands granted in exchange are not fertile and that the preparation charges awarded are wholly insufficient to render the lands fit for cultivation. The institution is stated to have a debit balance. The lease-sale of the exchange lands has fetched a poor rent of 2½ candies of paddy per year which is hardly sufficient to meet even the minimum charges of daily worship. The local officers report that suitable exchange lands are not available in the locality and recommend that cash compensation may be awarded to the temple in lieu of the exchange lands so that the daily charges of worship may be met out of the interest realised on the amount. The Special Land Acquisition Officer, Krishnarajasagara Works, states that special sanction of Government is necessary for the award of cash compensation. Having regard to the poor resources of the institution and its inability to bring the new lands under cultivation, I recommend that sanction of Government may, as a special case be accorded to the award of cash compensation in lieu of the

exchange lands now granted by the Special Land Acquisition Officer.

I have the honor to be,

Sir,

Your most obedient servant,

for Muzrai Commissioner.
(Absent from Hd Quarters)

Letter No. '.921/31 dated 28-2-34 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Grant of cash compensation to Sri Amruteswaraswamy temple at Galigekere, Yedatore Taluk, in lieu of exchange lands.

With reference to your Memo No. J. 1221/31-32 dated 16th April 1932 to the Sri Amruteswaraswamy temple at Galigekere, Yedatore Taluk I have the honour to state that the manlands regarding the grant of exchange lands measuring 3 acres 10 guntas endowed to the temple at the place were acquired for the second stage of the Krishnarajasagara Project, and that exchange lands S.Nos.305 and 306 of the same village measuring 4 acres 15 guntas were granted by the Special Land Acquisition Officer, Krishnarajasagara. 3

2. The exchange lands granted are not fertile and besides a sum of R 25/- per acre will be required to make the lands fit for cultivation. The sale of the lease of these lands held by the Amildar has fetched a poor rent of 2½ candies of paddy per year.

3. The local officers report that the temple has a minus balance of Rs 83-6-3, that the income from lands is hardly sufficient to meet even the minimum charges of daily worship, that other suitable exchange lands are not available and that under the circumstances cash compensation may be got awarded to the temple which amount if invested in Government securities will fetch interest which will at least meet the daily charges of worship.

4. The Special Land Acquisition Officer, Krishnarajasagara Works, Mysore, who was consulted reports that cash compensation for such lands cannot be granted without the special sanction of Government.

5. I request that sanction of Government may kindly be obtained to the grant of cash compensation in lieu of the exchange lands already granted by the Special Land Acquisition Officer.

6. The connected records are submitted herewith.
